SUMMARY

Product Manager, 3 years, fintech.

EXPERIENCE

Product Manager, a payments company (Bengaluru; Mumbai-based since 2025) — 2022 to present

- Own the settlement reconciliation product used by merchant finance teams.
- Killed an in-house dispute-management build after a two-week spike showed the vendor option was six months faster; presented the reversal to the same leadership that had approved the build.

EDUCATION

B.Tech, 2019. Two years as a management consultant before product.
